

The 3rd IUPAP International Conference on Women in Physics

October 8-10, 2008 - Seoul, Korea

<http://icwip2008.org>

Applications to join US Delegation due by May 15, 2008

Applications sought from a racially/ethnically diverse group of students, post-docs, faculty, teachers, researchers, administrators, women and men from a variety of physics and other technical and non-technical fields for a funded opportunity to represent the US at the International Conference on Women in Physics.

Send to applications@uswip.org :

- 2-page biographical sketch
- 2 essays (250 word max, each) responding to:
 - [How will you contribute to the conference's success and follow-up?](#)
 - [How will this conference influence your future?](#)
- abstract (250 word max) for research poster
